

City Colleges of Chicago to Bachelor of Science in **Nursing** at Illinois Wesleyan University/4 year plan

*This is a suggested course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Admission to the Nursing major is limited and completion of this plan does not guarantee admission to the School of Nursing. Additional information can be found on the website:*

*<https://www.iwu.edu/nursing-health-sciences/transfer-requirements.html>*

*If space allows, accepted transfer students who completed the articulation plan would begin the nursing sequence in semester three. Contact [IWUadmit@iwu.edu](mailto:IWUadmit@iwu.edu) to inquire about the application process for Nursing majors.*
